*Lifting the veils of perceptions through the  
Dances and Walks. Sound, breath, body aware-  
ness, concentration, invocation, strengthening  
our container as channels for health and bless-  
ings. The Dances and Walks of Murshid Samuel  
Lewis originally invoked many new dimensions

initial outer attraction may be beauty, their inner  
side leads to harmony and the deepest sense of  
love, both including and beyond the personal.
