The Inner Life is a call to balance the heart and mind for a special journey. It is a spiritual journey that takes away the division of sacred and profane, and rather offers tools that lead us to independence through Divine association. The Inner Life is a way of getting rid of grudges and heaviness of debt. It is a way of directing all activity with wisdom; every moment, every action, every thought, every word becomes an opportunity to fulfill one's Divine plan and the reason why we were born at this time.
